

**CALL FOR APPLICATIONS FOR THE
“TRAINING ON INTERNATIONAL STANDARDS TO FIGHT IMPUNITY
FOR ENFORCED DISAPPEARANCE AND EXTRA-JUDICIAL
KILLINGS”**

The Human Rights and Justice Centre (HRJC) and TRIAL International announce a call for application for a **three-day training on “International Standards to Fight Impunity for Enforced Disappearance and Extra-Judicial Killings”**.

TRAINING DETAILS

Training dates: 26-28 January 2021

Time: From 11:00 a.m. to 17:30 p.m.

The training session is addressed to a maximum of 15 representatives of NGOs, human rights defenders and lawyers in Nepal.

The training will be held completely online via Zoom.

Eligibility: Candidates residing in any district of Nepal are welcome to apply to the training.

Language: The training will be conducted in English and an interpreter will conduct simultaneous translation of the sessions into Nepali language. Some sessions may be delivered directly in Nepali.

Orientation session: Participants will be provided with an orientation session of approximately one hour the week prior to the sessions. The orientation will ensure that participants know how to access and use all the functions of the online platform. Selected participants will be informed of the date of the orientation session in due course.

The training is free of cost and the organizers will provide internet packages to attend orientation session and three-day sessions.

Attendance certificates will only be issued to the participants who take part in 100% of the “online conversations”, deliver 90% of the written documents requested as part of the training, and complete both an entry and an exit tests.

CONTENT OF THE TRAINING

The training sessions will be delivered by international and local experts and include both theoretical sessions and practice-oriented workshops/exercises.

It will aim at presenting the existing international standards to fight impunity for enforced disappearance and extra-judicial killings. Participants will learn to identify and document cases of enforced disappearance or extra-judicial killing pursuant to international law as well as the available avenues at the international level to report such cases (with particular attention to the United Nations Special Procedures and Treaty Bodies). Moreover, the training will provide practical knowledge on how to submit reports and communications concerning cases to the competent United Nations Special Procedures and Treaty Bodies.

For more information on our trainings, have a look at the comments of previous participants [here](#).
